Why do we have Seasons?

- Because it's fun!
- Because we get out of school!
- Because the earth orbits the sun.

During what season is the sun the closest to us?

fall summer spring winter

Look at a Globe!

Hold a flashlight pointing to the United States.
(indicating summer)

Question: While the United States is having
summer Australia is having _____.

spring	summer	fall	winter
--------	--------	------	--------
