

School Work at Home

Right now, I can't go to school. I am at home.

My teacher and friends are at their homes too.

My teachers have school work for me to do at home.

My teachers have school work for my friends to do at home.

It is OK for people to do their school work at home.

Doing school work at home may make me upset or confused.

My family can help me understand why I am upset or confused.

My family can help me with my school work.

I can try to do my school work at home.

Doing my school work at home will make my teachers happy.

Doing my school work at home will make my family happy.
