

Wearing A Mask

Sometimes people wear masks.

People can wear masks even if they are not health care workers.

Wearing a mask keeps others from getting sick.

My family and friends may need to wear a mask.

I may need to wear a mask.

It's OK to wear a mask.
A mask can help protect other people if I sneeze or cough.

It's important for me to keep my mask on when my family tells me to.

I may need to wear my mask in certain public places where other people might be.

Places I might need a mask are:

- In the store

- At an appointment

- At the library

- At the park

- At the playground

Wearing a mask feels different, but it will be OK!

Wearing a mask makes people safe.

Wearing a mask keeps my family safe.

Wearing my mask makes my family happy.
